

Marion Marlins – World Aquatics (FINA) World Top 10 Rankings

Since 1985 World Aquatics has published a definitive listing of the top 10 times in the world in each age group for each stroke and distance in both Short Course (25m) and Long Course (50m) pools. Because it includes the results of all eligible Masters' swim meets in every member country and internationally it is a significant achievement to achieve a top 10 ranking. Results (see <https://www.worldaquatics.com/masters/top-10/all-time>) are normally published in March for the preceding year. A listing (see <https://mastersswimmingsa.org.au/results/fina-top-ten/>) of SA swimmers results is also maintained by the Branch.

Up to 2024 twenty-five Marlins have achieved a Top Ten ranking in an individual or relay event which is an excellent record for the club:
